

**CANDIDATE FOR CITY COUNCIL MEMBER
CITY OF TWENTYNINE PALMS**

NAME: STEVE FLOCK

OCCUPATION: Retired Law Enforcement

Twentynine Palms is experiencing a period of growth that demands dedicated leadership that will guide us to economic prosperity while avoiding the destructive effects of uncontrolled expansion.

For the past 32 years I have chosen to live, work, raise a family, and retire in Twentynine Palms. In addition to a career in law enforcement I have been active in the construction industry as a carpenter, construction superintendent and general contractor. I have earned an Associate in Science Degree from College of the Desert, Copper Mountain Campus. Other interests have led to involvement in the art community, aviation and equestrian activities. Military experience includes serving as a member of an Air Force Combat Control Team.

My diverse background in this community has provided me with a sense of fairness and an ability to communicate with a large cross section of our city's residents. I have found many of you share my vision of our future, which includes building a vibrant economy while preserving the qualities that make our desert home unique. I will be proud to represent you on the Twentynine Palms City Council.
